

# **PINE BARK BEETLE**

## **at FLAMING GORGE**

Forest Service Entomologist Danielle Malesky will discuss the biology, ecology, trends and myths surrounding this often misunderstood insect of the forest.

**Saturday, July 18th**

**2-5 PM: Red Canyon Visitor Center**

(end of Red Canyon Rd. off Hwy 44, 3.5 miles west of the Hwy 191 turnoff)

**8 PM: Bootleg Amphitheater**

(Hwy 191, across from Firefighters Campground, just north of Flaming Gorge Resort)

The public is invited to share their observations, concerns and questions with Danielle who will in turn share the facts with us.
